Come join us for the Gothenburg Summer Regatta 2017

- We are establishing a premier event that will attract a broad fleet of dinghy sailors from across the Nordic region
- Less qualifying races on regional and national level opens for a national dinghy regatta in August
- The event will be a two day regatta located in Gothenburg's northern archipelago, ideal for dinghies (2017 only for optimist)
- With the combined forces of RÅSS and BKSS an experienced and sufficiently large organization can be secured
- For sponsors we offer the opportunity to be visual and acknowledge to a broad group of direct and indirect customers
- For sailors we offer a developing regatta where you will meet, compete and learn from other dinghy sailors in a well organized and high quality event

We are establishing a premier event that will attract a broad fleet of dinghy sailors¹⁾ from across the Nordic region

We are establishing a yearly recurring dinghy regatta that:

- Will attract a broad dinghy fleet¹⁾ from across the Nordic region
- Dinghy sailors will experience as developing
 - the chance to learn from other experienced sailor's through coaching and lectures
 - the chance to compete against some the best dinghy sailors in the Nordic region
- Will be perceived by sailors, coaches, family and spectators as a professional and high quality event
- Will strengthen Gotheburg's the West Coast's position as a leading arena for sailing

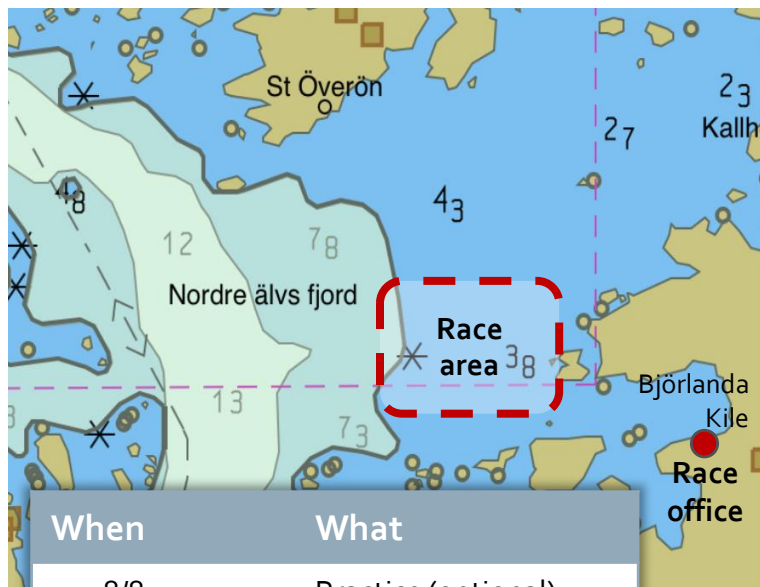

Less qualifying races on regional and national level opens for a national dinghy regatta in August

- Less qualifying races in 2017 than previous years and changed directives for children creates an opportunity and a need for a national regatta, especially for optimists
- Gothenburg and the West Coast is home for a majority of Sweden's sailors, but with few other recurring national dinghy regattas
- The two organizing clubs, Rådasjöns Segelsällskap (RÅSS) and Björlanda Kile Segelsällskap (BKSS), have vast experience of organizing and hosting large regattas on regional, national, and on international level
- With the combined forces of RÅSS and BKSS an experienced and sufficiently large organization can be secured for years to come

The event will be a two day regatta located in Gothenburg's northern archipelago, ideal for dinghies

- A two day regatta for optimists¹⁾ with the possibility to practice the two days running up to the regatta
- The race area will be located just outside of Björlanda Kile (in the northern archipelago of Gothenburg) with widespread, safe and relatively protected sea environment
- Björlanda Kile is the largest harbor in northern Europe with plenty of space for parking, rigging and launching – allowing for a large number of sailors, coaches, family, other spectators
- There will be plenty of space for event tents for information, marketing, etc.
